

Certificate of Analysis

Product Name:	Lot#:	NuMega Reference #:
Picamilon Sodium	181022	2211EURO.163B

Chemical Name	
sodium;4-(pyridine-3-carbonylamino)butanoate	
Chemical Structure	Theoretical Analysis
	<p>Name: Picamilon Sodium</p> <p>Lot#: 181022</p> <p>Chemical Formula: C₁₀H₁₁N₂NaO₃</p> <p>Exact Mass: 230.0667</p> <p>Molecular Weight: 230.199</p>

	Specifications/ Results
Appearance	White solid
Structure	The H-1 NMR of sample is consistent with the structure of Picamilon Sodium.
Solubility	Dimethyl sulfoxide
Conclusion	The results of experiments carried out on the sample are consistent with the structure of Picamilon Sodium.
